

# FAMILY GUIDE TO ENGLISH LANGUAGE ARTS

## Grade 2

Academic standards define what students should know and be able to do at each grade level. The Kansas English Language Arts (KELA) standards focus on reading, writing, speaking, listening and communication development. Your student’s mastery of these academic standards ensures they are well prepared for life after high school graduation.

The KELA standards are a collection of skills that students should learn and be able to perform at advancing levels in order to meet the five foundational practice for language arts.

Language arts foundational practices:

- Speak, read and listen appropriately in all subject areas.
- Seek to understand different viewpoints.
- Use knowledge gained from reading and writing to help solve problems.
- Create different versions of texts for a range of purposes and audiences.
- Self-regulate and monitor growth in writing, speaking, reading and listening.

### Example KELA expectations:

**Ask** and answer questions.

**Demonstrate** an understanding of key details in a text

**Determine** the lesson or moral of stories, fables or folktales.

**Describe** how characters in a story respond to events

and challenges.

**Use** text features (captions, bold print, indexes) to locate key facts and information.

**State** an opinion about a book, written or verbal, using important details from the text as support.

**Write** about a variety of topics, providing details and a sense of closure.

**Write** a narrative that has a short sequence of events, including details and a sense of closure.

**Participate** in shared-research projects.

**Consult** a variety of digital tools to produce and publish writing.

**Participate** in collaborative conversations.

**Retell** information or ideas from media or books read aloud.

**Use** an apostrophe to form contractions

and frequently occurring possessives.

**Produce, expand and rearrange** sentences.

**Determine** the meaning of a new word.

## What might this look like in a classroom?

Students in a language arts classroom should be able to ...

**Write, speak, read** and **listen** in all content areas to build knowledge.

**Set goals** and monitor their progress.

**Solve** problems.

**Create** meaning.

**Think** critically about real-world issues.

**Develop** a deep understanding of the world using foundational literacy practices.

**Build** on their literacy skills from prior years.

## What can I do to support learning at home?

- Talk to your child at home!

*What did you learn today?*

*Did you understand?*

*What was difficult or what do you need more help with?*

- Encourage your child to read.
- Visit the library and read a book together.
- Look at your child's work and talk to them about it.
