

2025-2026 COLLEGE NOW ENROLLMENT GUIDE FOR HIGH SCHOOL STUDENTS

JCCC's College Now program provides high school students with an opportunity to earn college credit through concurrent enrollment while completing their high school requirements.

1. **APPLY** for admission once by going to admissions.jccc.edu to start your application.

To ensure your eligibility to enroll before the deadline, apply no later than the priority date listed on the calendar in this publication. When your application is processed, you will receive an email that includes your JCCC ID number and login information.

2. **Fulfill Placement Requirements** if required (ex., English, math, science, etc.) JCCC offers several pathways for students who need to enroll in courses that have a placement requirement. For placement requirements go to jccc.edu/CollegeNowPlacement.

If you have a qualifying ACT score, click the **Upload Test Scores** button. If you have a qualifying unweighted high school GPA, click the **Upload High School Transcript** button. If you do not have a qualifying ACT score, high school GPA or AP test score, visit Testing Services for information about practice and placement assessments. You will still need to enroll in the class after your placement waiver is issued or after you test and earn a qualifying score.

3. **Enroll in classes online or by phone**, for enrollment deadline dates, see the calendar in this publication.
 - **Once the schedule becomes available online**, go to jccc.edu/collegenow and click the **College Now Class Schedule and Counselors** link on the left toolbar to look up the courses available at your high school. Write down the five-digit CRN numbers of the courses you plan to enroll in.
 - **Log in to MyJCCC**, select the Enroll and Pay card, then click Add/Drop Classes links. Select the term "Credit Fall" for fall semester or yearlong courses or "Credit Spring" for spring semester courses.
