Make thoughtful selections!

Student selections during pre-enrollment are used to create the master schedule. Students will not qualify for a schedule change for the 2023-2024 school year if their schedule reflects courses that were requested during the pre-enrollment process (that is now). If a student is placed in a class they did not choose during the pre-enrollment period they can email their counselor for assistance.

Enrollment Instructions

Step-by-step instructions for students to select courses through StudentVUE can be found on our website under the Enrollment Info tab (must select specific Grade Level)
