

## Secondary Math Course Sequence

	5th Grade Math		
Grade 6	Math 6	Math 6 Plus  6 <sup>th</sup> Grade & Partial 7 <sup>th</sup> Grade Standards	
Grade 7	Math 7	Math 7 Plus  Remaining 7 <sup>th</sup> Grade &  8 <sup>th</sup> Grade Standards	
Grade 8	Math 8	Algebra I Remaining 8 <sup>th</sup> Grade & HS Alg   Standards	
Grade 9	Algebra I	Geometry	Geometry *Concurrent Enrollment Possible in Hnrs Algebra II
Grade 10	Geometry *Concurrent Enrollment Possible in Algebra II	Honors Algebra II	Pre-Calculus
Grade 11	Algebra II	Pre-Calculus	Higher Level Math
Grade 12	Higher Level Math	AP Calculus AB or AP Statistics  AP Calculus BC	Higher Level Math

Higher Level Math Courses: All higher level math courses are offered for college credit.

- College Algebra (Year-Long course)
- Pre-Calculus (Year-Long course)
- AP Calculus (AB/BC) (Year-Long course)
- AP Statistics (Year-Long course) (AP Statistics may be taken concurrently during Senior Year)

## Higher Level Math Courses <u>Not</u> Offered For College Credit:

- Linear Algebra (Semester Course)
- Multivariable Calculus (Semester Course)
