# Step Up: It's never too late to earn your high school diploma!

**Step Up** is the adult diploma program of the Olathe Public Schools. It is a self-paced online program that is flexible for students with families and jobs. Adult Kansas residents without diplomas may enroll in this high school completion-program at no charge. Step Up students range from teenagers to retirees!

Once students complete their required credits, they receive Olathe Public Schools high school diplomas at our traditional graduation ceremony in May.

It is never too late to achieve your educational goal. We look forward to serving you.

- Step Up classes are all online, utilizing Edgenuity®, a leader in online education.
