Parent/Guardian will receive email notification from DS Bus Lines if your registration is NOT approved.

After submission, a 'Pending Approval' email will be sent. The registration status will be updated to 'Approved' if the student qualifies for bus service. Login to InTouch to check the Registrations page for updates.

## When will I receive bus route information?

Approved registrations submitted during open registration (May–July 1) will receive route details in the first week of August. Registrations after July 1 may lead to a delayed start date.
