

November 2024

Dear Parents and Guardians,

We're excited to announce the launch of Lightspeed Parent Portal, a new tool that empowers you to stay informed about your middle and high school student's online activity on their district-issued device.

**With Lightspeed Parent Portal, you can:**

- **Receive weekly reports:** Get a summary of your student's web browsing activity for the past week.
- **View browsing history:** See up to seven days of websites visited on their district-issued device.
- **Manage internet access:** Pause web browsing during designated out-of-school hours.
- **Control YouTube:** Temporarily disable YouTube access outside of school hours.

**Getting Started:**

On Sunday, November 10th, you will receive an email from [do\\_not\\_reply@lightspeedsystems.com](mailto:do_not_reply@lightspeedsystems.com) with instructions on creating your free Lightspeed Parent Portal account. This email will provide a secure link to register and access all the features mentioned above. **Please register using the email address that your student's school has on file.**

**For More Information:**

Attached you will find a helpful guide on Lightspeed Parent Portal resources. This document provides more details on how to use the portal and navigate its features.

We believe this tool will be valuable in ensuring your student experiences a safe and responsible online environment.

# Introducing the Lightspeed Parent Portal

With so many new technologies and learning methods introduced every day, your involvement in your child's learning is more important than ever. To support this, your school has partnered with Lightspeed Systems® to give you visibility and control of your child's internet usage while on school-issued devices, at home and after-school hours.

With the Lightspeed Parent Portal, you have access to:

- The Weekly Student Online Activity Report, sent to your email. This report summarizes your child's web browsing activity for the week.
- The full, web-based portal delivering in-depth visibility and control over your child's online activity. Know exactly when and what sites are accessed in real time, then pause screens or control app usage as needed.

## About Lightspeed Systems

Lightspeed Systems has been dedicated to supporting K-12 online education for over 20 years. Lightspeed is governed by and adheres to stringent student data privacy regulations, such as FERPA and COPPA, ensuring student data will remain confidential and will not be shared, distributed, or sold to advertisers or any other parties.

## How Lightspeed Captures Your Child's Internet Activity

Devices provided by your school that are filtered by Lightspeed, intercept network traffic and allow or block websites. These decisions are made based on both the content filter category of the website and the rules configured for your student.

# The Weekly Student Online Activity Report

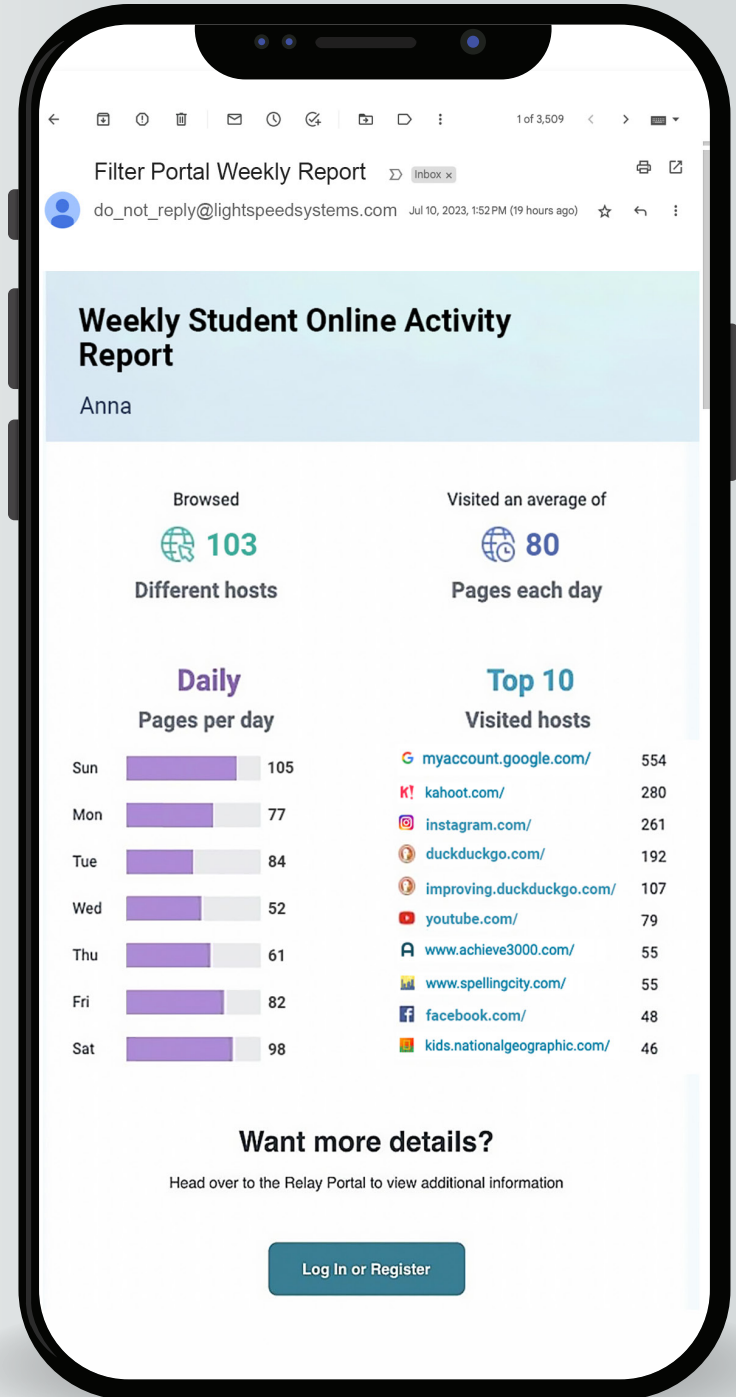

The Weekly Student Online Activity Report summarizes your child's web browsing activity for the week; including page visits and website host metrics.

With the Weekly Student Online Activity Report you'll see:

- Top Websites: Top 10 visited hosts
- Daily Website Visits: Number of pages visited per day
- Total Browsed Hosts
- Average Daily Page Visits

The Weekly Student Online Activity Report will be emailed straight to your inbox every Sunday containing the Subject: *Filter Portal Weekly Report* and sent from: [do\\_not\\_reply@lightspeedsystems.com](mailto:do_not_reply@lightspeedsystems.com).

**Note:** be sure to check your Spam folder if you have not received it in your inbox.

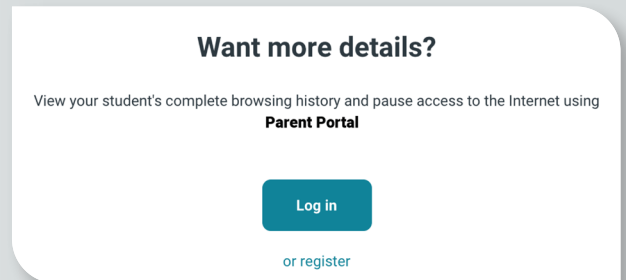

# The Lightspeed Parent Portal

## Sign Up for the Portal

The Lightspeed Parent Portal is a full web-based portal that is mobile responsive, so you can easily check on your child's internet activity in real time and take action.

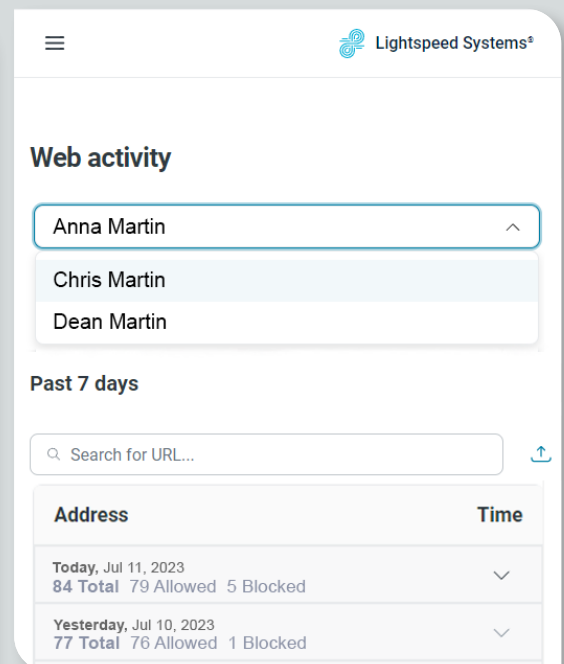

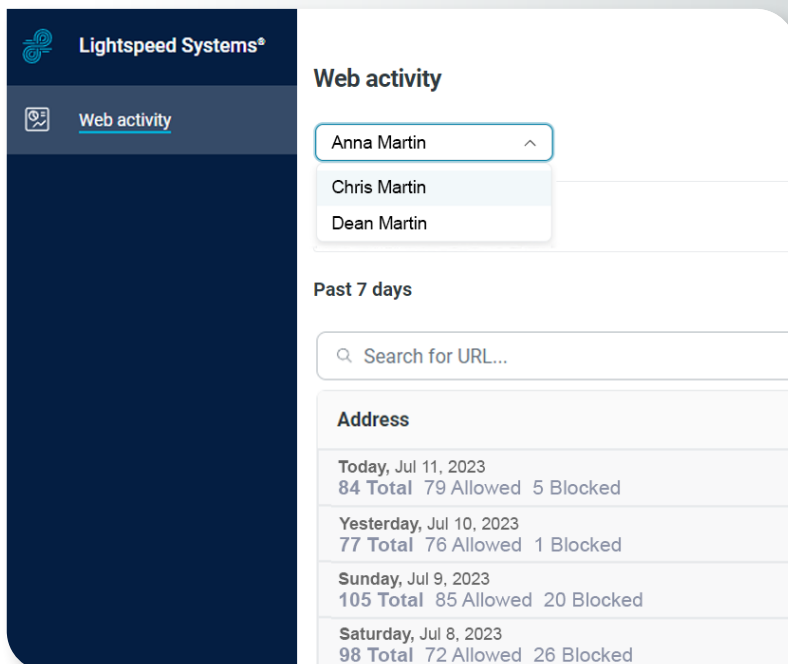

### HOW TO ENROLL:

1. You will receive a Weekly Student Online Activity Report email from: [do\\_not\\_reply@lightspeedsystems.com](mailto:do_not_reply@lightspeedsystems.com).
2. Click the "or register" hyperlink at the bottom of the Weekly Student Online Activity Report email to register/create an account.
3. A verification email will be sent to the email address you provided during the registration process to log into the portal.
4. Once you are in the portal, you may use the drop-down to toggle between students if you have more than one child.

# Pause Web Browsing

Control your child's screen time to temporarily pause web browsing on school-issued devices while at home or after-school hours for 1 hour, 3 hours, or overnight

# Manage YouTube Access

YouTube includes rich educational content and our district is diligent about monitoring access to ensure your child can access appropriate YouTube content. Even so, your child may be spending too much time on this platform and not getting homework done. With the Lightspeed Parent Portal, you can allow or block access to YouTube after school as needed.
