

# Applied Suicide Intervention Skills Training (ASIST)

Applied Suicide Intervention Skills Training (ASIST) is a two-day, interactive, skills-based workshop for anyone 16 years of age or older who wants to feel more comfortable, confident and

competent in helping to prevent the immediate risk of suicide. ASIST is a resource for the whole community. It helps people apply suicide first-aid in many settings: with family, friends, co-workers, teammates and formal caregiving roles.

Enjoy small group discussions and skills practice that are based upon adult learning principles. Experience powerful videos on suicide intervention.

**Feel challenged and safe. Learn suicide first aid.**
