# Enrollment Folder

- ▶ Enrollment Worksheet
- ▶ Elective options
- ▶ Blank audit
- ▶ KS Qualified Admissions Requirements for Kansas Universities
- ▶ Enrollment Instructions
- ▶ Department information

913-538-1877

- ▶ Write your name and student number on your enrollment worksheet.
- ▶ Student cell number – write on the top of your enrollment worksheet.
- ▶ Students, please copy the phone number below at the bottom of your worksheet.
  - ▶ Text any questions you have to this number!

913-538-1877

# Graduation Requirements

- ▶ 24 credits are required to graduate
- ▶ The Graduation Audit shows each subject area and its requirements.
  - ▶ You will complete all classes over the next 4 years
  - ▶ Using the Individual Plan of Study helps you plan ahead and see what is required each year.
  - ▶ I.e. Once you take PE and earn .5 credit, you have fulfilled this graduation requirement.
- ▶ To earn credits, students pass a semester class with a 60% (D) or higher.

## Graduation Audit Olathe High Schools - Class of 2028 and Beyond

<b>ENGLISH</b> (4 Credits)	1.0	1.0	1.0	1.0

**KS SCHOLAR CURRICULUM**  
 \*3 units of science: Biology, Chemistry, Physics  
 \*4 units of Math  
 \*3 units of Social Studies  
 \*2 units of one Foreign Language

**TOTAL:** \_\_\_\_\_

**24 Credits Required for Graduation**

# Enrollment Worksheet

## Required Courses:

- ▶ **Math** (pre-selected by teacher)
- ▶ **English:** English I or Honors English I (summer assignment)
- ▶ **Science:** Biology or Honors Biology
- ▶ **Social Science:** Modern World History or Honors Modern World History
- ▶ **Health**
- ▶ **Physical Education:** PE or Strength & Conditioning
  - ▶ Strength & Conditioning will be open to 9<sup>th</sup> graders if space is available.
  - ▶ Dance or Cheer will replace your PE credit.

## Elective Credits:

- ▶ Write course title & number

## Credits need to total 7.0

## Alternate Credits:

- ▶ Need to list 2.0 credits in order of preference.
- ▶ **DO NOT repeat courses already listed above!**

# Items to Remember

12

- ▶ You **NEED** 7 full credits (14 course selections) and 2 credits (4 selections) of alternates
- ▶ You **MUST** select A (first semester) and B (second semester) for full year classes (ie. LA310A and LA310B for English I)

913-538-1877

# AVID Elective class

- 4-year college readiness class
- Helping students succeed on a path to college and/or career readiness
- Providing students with additional academic, social, and emotional support to help them succeed in rigorous courses
- Inspiring students to take control over their own learning
- If you are interested in learning more about this program, the application is on the district website.

## 3DE AT Olathe East HIGH SCHOOL

Ready to unlock your leadership potential? 3DE helps you level up by bringing the real world to your classroom!

As a 3DE student, you will learn through the lens of real problems companies are facing while also building skills that will last a lifetime!

- Gain skills & experiences that prepare you for college
- Explore careers & industries
- Develop leadership competencies needed in all careers
- Build your personal & professional networks

Want to be guaranteed a spot?  
Scan the QR code below.

## OATC 2 Year Programs

Auto Technology	Animal Science and Research	Construction trades	Culinary Arts
Electronics and Avionics	Emergency Medical Services	Healthcare	Welding Technology

- ▶ Our district offers several Career and Technology programs through our OATC campus for our **junior and seniors**
- ▶ If you are interested in any of the programs, go to [www.olatheschools.org/oatc](http://www.olatheschools.org/oatc) website to check out more information on each program.

913-538-1877

# Grading Guidelines

Your Cumulative Grade Point Average (GPA) is an average of your grades for the 8 semesters you are in high school.

Your Freshmen year is important!

If you receive an F in a class that is required for graduation, you must retake it.

If you take a weighted course and receive an A, B, or C, you will earn more GPA points.

[GPA Calculator](#)

6

## WEIGHTED GRADES

Weighted courses represent the most rigorous learning standards and content requiring the highest level of student performance and time commitment. The weighted grading system is used to determine academic student honors and distinctions.

The weighted grade formula is figured by using the standard grade point average and adding weighted value. The weighted value is computed by taking the number of weighted courses and dividing it by the number of semesters multiplied by the standard grade point average.  $\text{Weighted GPA} = (\text{GPA}) + (\# \text{ of Weighted Courses with grades of A, B, or C}) / 7(\# \text{ of semesters})$ .

A weighted grade can be attained for the courses below by achieving class grades of A, B, or C. All courses on the list have an equal weighted grade value:

- Honors Algebra II
- Adv. Biotechnology: Cellular & Molecular II
- AP Biology
- AP Calculus AB
- AP Calculus BC
- AP Chemistry
- AP Computer Science A
- AP Computer Science Principles
- AP English Language & Composition
- AP English Literature & Composition
- AP Environmental Science
- AP European History
- AP French V
- AP Music Theory
- AP Physics II
- AP Physics C
- AP Psychology
- AP Spanish V
- AP Statistics
- AP Studio Art: 2-D Design
- AP Studio Art: 3-D Design
- AP Studio Art: Drawing
- AP United States History
- AP US Government & Politics
- AP/College Physics I
- German IV
- Honors Advanced Debate
- Japanese IV
- Linear Algebra
- Multivariable Calculus
- Honors Biology
- Honors Chemistry
- Honors English 9
- Honors English 10
- Honors Geography
- Honors Geometry
- Honors Modern World History
- Pre-Calculus

*Note to students transferring from other districts: Olathe provides weighted credit only for advanced courses designated by the Olathe weighting system.*

## GRADUATION HONORS

Beginning with the Class of 2028, students will no longer be assigned a class ranking. Graduating students demonstrating higher levels of academic achievement will be honored through recognition as cum laude, magna cum laude, and summa cum laude.

<i>Cum Laude</i>	<i>4.000 - 4.299</i>	<i>Weighted cumulative GPA after the completion of 7 semesters</i>
<i>Magna Cum Laude</i>	<i>4.300 - 4.499</i>	<i>Weighted cumulative GPA after the completion of 7 semesters</i>
<i>Summa Cum Laude</i>	<i>4.500 or higher</i>	<i>Weighted cumulative GPA will be calculated at the completion of 8 semesters and will be recognized at the commencement ceremony</i>

**\*\*Please note that GPAs *DO NOT* "round up" in an award level, e.g. a 4.499 does not round up to a 4.5 and would remain in the Magna Cum Laude level.\*\***

New Graduation Honors starting for the Class of 2028.

# Qualified Admissions

The six state universities in Kansas--Emporia State University, Fort Hays State University, Kansas State University, Pittsburg State University, The University of Kansas, and Wichita State University--use the standards below, set by the Kansas Board of Regents, to review applicants for undergraduate admission.

### ACCREDITED HIGH SCHOOL

Freshman applicants, under the age of 21, who graduate from an accredited high school, will be guaranteed admission to six state universities by meeting the Qualified Admissions requirements designated by each university, as follows:

#### ESU, PSU, FHSU, & WSU:

- Cumulative High School GPA 2.25+ or ACT 21+ (SAT 1060)\*

#### K-State:

- Cumulative High School GPA 3.25+ or ACT 21+ (SAT 1060)\*

#### KU:

- Cumulative High School GPA 3.25+  
**OR** Cumulative GPA 2.0+ and ACT 21+ (SAT 1060)\*

#### ALL Institutions Require:

- Cumulative GPA 2.0+ for College Credits earned in High School

**KANSAS SCHOLARS CURRICULUM IS RECOMMENDED BUT NOT REQUIRED:** To best prepare for the rigor of college-level courses, the Kansas Scholars curriculum is recommended.

One unit is equivalent to one year, or two semesters:

**English**  
4 units

**Math**  
4 units  
1 unit of each:  
Algebra 1, Geometry,  
Algebra II  
1 unit: Advanced Math  
See [KS Scholars page](#)  
For Math course list

**Social Science**  
3 units  
1 unit U.S. History  
.5 unit U.S. Gov  
.5 unit World History  
1 unit: Social Science course  
See [KS Scholars Page](#) for  
Social Science course list

**Science**  
3 units  
1 unit of each:  
Biology, Chemistry, &  
Physics

**Foreign Language**  
2 units of the same  
language

# Qualified Admissions for 6 State Universities in Kansas

A copy of the requirements is in your folder.

913-538-1877

# Curriculum to Consider

19

## Kansas State Scholar, PPG page 4

### **KANSAS SCHOLARS CURRICULUM**

Students that complete the Kansas Scholars curriculum and meet the other requirements, may be designated as State Scholars, which makes one eligible to receive the Kansas State Scholarship as provided by the Kansas Legislature. State Scholars may receive up to \$1,000 annually for up to four undergraduate years (five, if enrolled in a designated five year program), based on financial need and the availability of State funds. Financial need is measured by federal methodology using data submitted on the FAFSA.

- Students must have taken the ACT between April of the sophomore year and December of the senior year.
- Students must be a Kansas resident.
- Students must have their curriculum and 7th semester GPA certified on the official roster by the high school counselor, registrar, or similar official.

*To learn more about Qualified Admissions and Kansas Scholars - [kansasregents.org](http://kansasregents.org)*

## NCAA, PPG page 4

### **NCAA ELIGIBILITY**

Division I & II schools require you to meet academic standards. To be eligible to practice, compete and receive an athletics scholarship in your first year of full-time enrollment, you must meet the following requirements:

- Earn 16 NCAA-approved core-course credits in eight academic semesters.
- Complete 10 of your 16 NCAA-approved core-course credits, including seven in English, math or science, before the start of your seventh semester (D1 only)
- Minimum core-course GPA: 2.3 D1 / 2.2 D2
- For more requirement details contact your counselor or visit [www.ncaa.org](http://www.ncaa.org)

### **NAIA ELIGIBILITY**

An enrolled entering freshman must:

- Be a graduate of an accredited high school.
- Must graduate with a 2.3+ GPA or meet two of the three following requirements:
  - Achieve a minimum of 18 on the ACT or 970 on the SAT
  - Achieve a minimum over-all high school grade point average of 2.0 on a 4.0 scale
  - Graduate in the top half of your high school class
- For more information, contact your counselor or visit [www.play.mynaia.org](http://www.play.mynaia.org)

913-538-1877

# College Credit Opportunities-

## AP Credit

20

- ▶ Nationally recognized program
- ▶ Students have the option to take an AP exam in May (\$105).
- ▶ The exam score determines if college credit will be given.
- ▶ Most courses will be available Junior and Senior year.
- ▶ Honors level coursework is highly recommended before taking an AP course.

### **ADVANCED PLACEMENT (AP)**

Advanced Placement (AP) is an internationally recognized standard of academic excellence that provides the following benefits to students:

- AP can enhance a student's opportunity for scholarships and career possibilities.
- AP can enhance a student's opportunity to receive admission into recognized universities and post-secondary programs.
- AP can reduce college costs and the time required to obtain a degree by providing post-secondary credit for courses and examinations completed successfully in high school. AP exams are given in May and scored by the Educational Testing Service. Students are encouraged to take AP exams to demonstrate successful AP course completion.

Note: Honors coursework provides a critical alignment with AP course success. AP exams are strongly encouraged. Each college or university determines which AP examination/score will be accepted.

# College Credit Opportunities- JCCC College Now

21

PPG Page 8

- ▶ Taught at Olathe East by Olathe East teachers.
- ▶ Requires JCCC payment of tuition and fees.
- ▶ More information on [OE's website](#).

913-538-1877

## COLLEGE NOW

10th-12th graders have the opportunity to take academic courses in high school which have been identified by the school district and Johnson County Community College as College-Equivalent Courses (College Now). All College Now students must have attained required ACT scores or JCCC Placement Exam scores to enroll for JCCC credit. Upon payment of specified tuition and fees and successful completion of a course, college credit can be earned. Only students enrolled in designated college equivalency courses can apply for this college credit option. Course availability may vary by high school.

Tuition charges for College Now courses will not exceed the amount charged for students enrolling in similar JCCC campus-based courses. No additional charges beyond those authorized for high school rental fees and materials used for classroom activities will be made. Courses which qualify for Excel in CTE have waived tuition for high school students who meet JCCC Kansas residency requirements for enrollment in any tiered career technical course. For more information about Excel in CTE courses offered at JCCC, please visit <https://www.jccc.edu/admissions/early-college/high-school-concurrent-enrollment/>

College Now courses listed below may not be offered for dual credit in every high school. Check your high school's College Now schedules for availability. Dual credit courses may be found at <https://www.jccc.edu/admissions/early-college/high-school-concurrent-enrollment/schools-schedules/> or as follows:

- 3D Animation I & II
- AP Biology
- AP Calculus AB
- AP Calculus BC
- AP Chemistry
- AP College Physics I
- AP Computer Science A
- AP English Literature and Composition
- AP Environmental Science
- AP European History
- AP French V
- AP Music Theory
- AP Psychology
- AP Spanish V
- AP Statistics
- AP United States Government
- AP United States History
- Anatomy & Physiology
- Auto Technology
- Certified Nurse Assistant (CNA)
- College Accounting
