Graduation Requirement Profile

- ▶ Column 1: Required
 - ▶ Shows all required subject areas.
- ▶ Column 2: Completed
 - ▶ These are the classes you have completed in high school.
- ▶ Column 3: In Progress
 - ▶ These are the classes you are currently taking.
- ▶ Column 4: Needed
 - ▶ These grey highlighted areas are the subjects you still need to complete and enroll in.
- ▶ Individual Focus
 - ▶ Once you complete a graduation requirement in a subject area the courses will count for individual focus.

Required Courses:

- ▶ English (1 credit)
 - ▶ AP Language and Composition
 - ▶ English 11 – College Prep
 - ▶ English 11 – Career Prep
- ▶ U.S. History or AP U.S. History (1 credit)
- ▶ Math (pre-selected by teacher) (1 credit)
- ▶ Science (see course list, may select more than 1)
 - ▶ Next slide will show options.

Elective Credits:

- ▶ Write course title & number

Credits need to total 7.0

Alternate Credits:

- ▶ Need to list 2.0 credits in order of preference.
- ▶ **DO NOT repeat courses already listed above!**

Junior English Class Choices

English 11: Career Prep

Students who should choose this option:

- ▶ Students planning to earn a professional license through trade school's post-high school
- ▶ Students planning to enter the workforce directly from high school
- ▶ This is not an **NCAA approved** credit course!

English 11: College Prep

Students who should choose this option:

- ▶ *Any* student planning to attend a two- or four-year college/university immediately after high school, **INCLUDING** community colleges.
- ▶ *The majority of students will take English 11 College Prep*

AP English Language & Composition

Students who should choose this option:

- ▶ Students planning to take the AP Exam and prepare for AP Lit. and Comp. their senior year. There will be a summer assignment.

Information about these options were discussed in your English Class, talk to your English Teacher if you have questions! Information is also on page 32 in the PPG.

SO MANY SCIENCE OPTIONS

Physical Science

Chemistry

(if you have not taken it)

College Chemistry

AP Chemistry

Enrollment Worksheet

- ▶ **Audition Courses**
 - ▶ Dance, cheer, and Hawk Nation
 - ▶ List 2 semester classes to drop (1.0 credit)
- ▶ **Special Courses**
 - ▶ Talk with the teacher to get permission
- ▶ **Student Assistant**
 - ▶ Requires a separate application signed by the teacher.
 - ▶ Available in the counseling office.
 - ▶ DUE: **Tuesday, February 6th**
- ▶ **Watch Hawk Weekly and daily announcements for tryout/application information.**

Audition Courses

Student Name _____

Student ID _____

If you are planning on enrolling in a class that requires an audition/try-out please indicate which class that is:

If you make it into that class, indicate which elective(s) you want to drop in order to make room for it in your schedule. Make sure you list 1.0 credit to drop if it is a yearlong class. Also, make sure the electives you indicate are ones that were chosen as "Requests" NOT as "Alternates" on your Online Enrollment.

Special Courses

The below courses are "special permission" courses only. You need to communicate with the indicated teacher/program to make sure you may enroll in the class. If the teacher has not given you permission, that class will be deleted from your enrollment and will be replaced with an alternate class.

WW460 AVID 12 (requires separate application & interview process)

PAS30 Jazz Band (2nd semester only; Smikahl)

IT900 A & B P Video Production II (Harrington)

YA415 PACE - Guided Study (current GS teacher or counselor)

YA415 GRADS-Guided Study (requires counselor approval)

YA480 Peer Mentor for Interpersonal Skills (requires separate application; Mrs. Hill)

ZZ610 Student Assistant (requires a separate application signed by teacher-please turn in completed application with this form)

Any questions – text this number!

PPG Page 6

Grade Point Average

The Olathe Public Schools will award credit to all grades of A, B, C, and D. A grade of F will not be awarded credit. Grades are assigned the following numerical values:

A=4
B=3
C=2
D=1
F=0

Those numerical values are used to determine a student's unweighted grade point average. A letter grade with a + or a - symbol will receive the same numerical value as a grade without a symbol.

A student's unweighted GPA is figured by assigning a numerical value to each semester grade (quarter grades are not used to determine a student's GPA) and dividing that number by the number of classes taken.

[GPA Calculator](#)

Weighted Grades

Weighted courses represent the most rigorous learning standards and content requiring the highest level of student performance and time commitment. The weighted grading system is used to determine academic student honors and distinctions. Note to students transferring from other districts: Olathe provides weighted credit only for advanced courses so designated by the Olathe weighting system. A weighted grade can be attained for the courses below by achieving class grades of A, B, or C. All courses on the list below have an equal weighted grade value. The weighted grade formula is figured by using the standard grade point average and adding weighted value. The weighted value is computed by taking the number of weighted courses and dividing it by the number of semesters multiplied by seven: $\text{Weighted GPA} = (\text{GPA}) + (\# \text{ of Weighted Courses with grades of A, B, or C}) / 7(\# \text{ of semesters})$.

- Honors Algebra II
- Adv. Biotechnology: Cellular & Molecular II
- AP Biology
- AP Calculus AB

Qualified Admissions for 6 State Universities in Kansas

A copy of the requirements is in your folder.

Curriculum to Consider

16

Kansas State Scholar, PPG page 4

NCAA, PPG page 4

KANSAS BOARD OF REGENTS QUALIFIED ADMISSIONS

State universities in Kansas follow Qualified Admissions (QA) criteria when admitting undergraduate students. These criteria are set by the Kansas Board of Regents, the governing body for the six state universities. The purpose of QA is to enhance success at the university level by ensuring students are prepared for the rigors of a university education. The institutions that use QA for admission are: Emporia State University, Fort Hays State University, Kansas State University, Pittsburg State University, University of Kansas, and Wichita State University.

KANSAS SCHOLARS CURRICULUM

Students that complete the Kansas Scholars curriculum and meet the other requirements, may be designated as State Scholars, which makes one eligible to receive the Kansas State Scholarship as provided by the Kansas Legislature. State Scholars may receive up to \$1,000 annually for up to four undergraduate years (five, if enrolled in a designated five year program), based on financial need and the availability of State funds. Financial need is measured by federal methodology using data submitted on the FAFSA.

- Students must have taken the ACT between April of the sophomore year and December of the senior year.
- Students must be a Kansas resident.
- Students must have their curriculum and 7th semester GPA certified on the official roster by the high school counselor, registrar, or similar official.

To learn more about Qualified Admissions and Kansas Scholars - kansasregents.org

NCAA ELIGIBILITY

Division I & II schools require you to meet academic standards. To be eligible to practice, compete and receive an athletics scholarship in your first year of full-time enrollment, you must meet the following requirements:

- Earn 16 NCAA-approved core-course credits in eight academic semesters.
- Complete 10 of your 16 NCAA-approved core-course credits, including seven in English, math or science, before the start of your seventh semester (D1 only)
- Minimum core-course GPA: 2.3 D1 / 2.2 D2
- For more requirement details contact your counselor or visit www.ncaa.org

NAIA ELIGIBILITY

An enrolled entering freshman must:

- Be a graduate of an accredited high school.
- Must graduate with a 2.3+ GPA or meet two of the three following requirements:
 - Achieve a minimum of 18 on the ACT or 970 on the SAT
 - Achieve a minimum over-all high school grade point average of 2.0 on a 4.0 scale
 - Graduate in the top half of your high school class
- For more information, contact your counselor or visit www.play.mynia.org

Advanced Placement (AP) Information:

Advanced Placement (AP) is an internationally recognized standard of academic excellence that provides the following benefits to students:

- AP can enhance a student's opportunity for scholarships and career possibilities.
- AP can enhance a student's opportunity to receive admission into recognized universities and post-secondary programs.
- AP can reduce college costs and the time required to obtain a degree by providing post-secondary credit for courses and examinations completed successfully in high school. AP exams are given in May and scored by the Educational Testing Service. Students are encouraged to take AP exams to demonstrate successful AP course completion.

Note: Honors coursework provides a critical alignment with AP course success. AP exams are strongly encouraged. Each college or university determines which AP examination/score will be accepted.

- ▶ Nationally recognized program
- ▶ Students have the option to take an AP exam in May (\$104).
- ▶ The exam score determines if college credit will be given.
- ▶ Every college sets their own AP requirements.
- ▶ Students can search AP Credit Policies at the schools they plan on applying to.
- ▶ CollegeBoard also has an [AP Credit Policy Search](#) tool.
- ▶ Honors level coursework is highly recommended before taking an AP course.

COLLEGE NOW

10th-12th graders have the opportunity to take academic courses in high school which have been identified by the school district and Johnson County Community College as College-Equivalent Courses (College Now). All College Now students must have attained required ACT scores or JCCC Placement Exam scores to enroll for JCCC credit. Upon payment of specified tuition and fees and successful completion of a course, college credit can be earned. Only students enrolled in designated college equivalency courses can apply for this college credit option. Course availability may vary by high school.

Tuition charges for College Now courses will not exceed the amount charged for students enrolling in similar JCCC campus-based courses. No additional charges beyond those authorized for high school rental fees and materials used for classroom activities will be made. Courses which qualify for Excel in CTE have waived tuition for high school students who meet JCCC Kansas residency requirements for enrollment in any tiered career technical course. For more information about Excel in CTE courses offered at JCCC, please visit <https://www.jccc.edu/admissions/early-college/high-school-concurrent-enrollment/>

College Now courses listed below may not be offered for dual credit in every high school. Check your high school's College Now schedules for availability.

Dual credit courses may be found at <https://www.jccc.edu/admissions/early-college/high-school-concurrent-enrollment/schools-schedules/> or as follows:

- | | | | |
|---|-----------------------------------|---|-------------------------|

College Credit Opportunity- Quick Step

- ▶ Juniors and Seniors have the opportunity to take classes at JCCC campus to replace up to 2 hours of their day.
- ▶ The JCCC course will count towards **Individual Focus Credit (and will not be a weighted credit grade)**.
- ▶ Students should visit with their counselor about dual credit options and procedures. Refer to the JCCC website for course options.
- ▶ A 3-credit college course (in one semester) equals 1/2 unit of high school credit.
- ▶ Students should complete online enrollment with a full schedule at Olathe East.

Online Enrollment-Student Vue

- If you want to take a class that requires a pre req, you will need to select the pre req and save it, THEN you will be able to select the next class.
- When you are done, you should have **14 Course Requests** and **4 Alternate Requests**.
- You cannot list a class as an alternate that is also a course request!
- If you make a mistake, you can Remove a selection.

Action	Ln	Department	Course ID
Remove	1	Business and Computer	▶ BU520P
Remove	2	Business and Computer	▶ BU540
Remove	3	Career and Technical Education	▶ IT405P
Remove	4	Family and Consumer Science	▶ HE560P
Remove	5	International Language	▶ FL410A
Remove	6	International Language	▶ FL410B
Remove	7	Language Arts	▶ LA420A
Remove	8	Language Arts	▶ LA420B
Remove	9	Mathematics	▶ MA620A
Remove	10	Mathematics	▶ MA620B
Remove	11	Science	▶ SC520A
Remove	12	Science	▶ SC520B
Remove	13	Social Studies	▶ SS510A
Remove	14	Social Studies	▶ SS510B

Alternate Elective Requests (*in preference order*) - S

Action	Ln	Department	Course ID
Remove	1	Career and Technical Education	▶ IT410P
Remove	2	Social Studies	▶ SS620
Remove	3	Business and Computer	▶ BU560P
Remove	4	Family and Consumer Science	▶ HE835P

Items to Remember

25

- ▶ You NEED 7 full credits (14 course selections) and 2 credits (4 selections) of alternates
- ▶ You MUST select A (first semester) and B (second semester) for full year classes (ie. LA420A and LA 420B for English 11 – College Prep)
- ▶ If selecting a class that can be taken for more than one semester (i.e. Weights), you MUST select that class twice. Only certain classes can be repeated and still earn credit.
- ▶ If you have selected a “special course” (back of enrollment worksheet), make sure you have **talked with the teacher.**
- ▶ If you have selected “teacher aide”, pick up a form in the counseling office and **turn in with your enrollment worksheet.**
