Graduation Requirement Profile

- Column 1: Required
 - ▶ Shows all required subject areas.
- Column 2: Completed
 - ► These are the classes you have completed in high school.
- ► Column 3: In Progress
 - ▶ These are the classes you are currently taking.
- Column 4: Needed
 - These grey highlighted areas are the subjects you still need to complete and enroll in.
- Individual Focus
 - Once you complete a graduation requirement in a subject area the courses will count for individual focus.

Required Courses:

- English (1 credit)
 - ► AP Literature (College Now)
 - ► College Prep English 12
 - ► Career Prep English 12
- ► AP or regular U.S. Government (.5 credit)

Highly Recommended Courses:

- Math (pre-selected by teacher)
- Science (see course list, may select more than 1)

Elective Credits:

Write course title & number

Credits need to total 7.0

Alternate Credits:

- ▶ Need to list 2.0 credits in order of preference.
- DO NOT repeat courses already listed above!

Senior English Class Choices

English 12: Career Prep

- Students who should choose this option:
- Students planning to earn a professional license from trade school post-high school
- Students planning to enter the workforce directly from high school

English 12: College Prep

- Students who should choose this option:
- Any student planning to attend a two- or four-year college/university immediately after high school

AP English Literature & Composition

- Students who should choose this option:
- Students planning to take the AP Exam in the spring, and/or receiving college credit through College Now.

Information about these options were discussed in your English Class, talk to your English Teacher if you have questions! Information is also on page 33 in the PPG.

Physical Science

Chemistry
(if you have not taken it)
College Chemistry
AP Chemistry
Physics
AP College Physics 1

Life Science

Anatomy and Physiolgoy
AP Biology
College Biology
AP Environmental Science
Horticulture 1 & 2
Student Naturalist

SO MANY SCIENCE OPTIONS

Please see your science teacher or look through the PPG if you have questions. Please also remember that you cannot take the same science class twice.

Enrollment Worksheet

- Audition Courses
 - Dance, cheer, and Hawk Nation
 - ▶ List 2 semester classes to drop (1.0 credit)
- Special Courses
 - ► Talk with the teacher to get permission
- Student Assistant
 - Requires a separate application signed by the teacher.
 - Available in the counseling office.
 - ▶ DUE: February 6th with your Enrollment Sheet
- Watch Hawk Weekly and daily announcements for tryout/application information.

Any questions – text this number! 913-557-0321

	_
Auditio	on Courses

Stuc	dent	Name	٠
			_

Student ID _____

If you are planning on enrolling in a class that requires an audition/try-out please indicate which class that is:

If you make it into that class, indicate which elective(s) you want to drop in order to make room for it in your schedule. Make sure you list 1.0 credit to drop if it is a yearlong class. Also, make sure the electives you indicate are ones that were chosen as "Requests" NOT as "Alternates" on your Online Enrollment.

Special Courses

The below courses are "special permission" courses only. You need to communicate with the indicated teacher/program to make sure you may enroll in the class. If the teacher has not given you permission, that class will be deleted from your enrollment and will be replaced with an alternate class.

WW460 AVID 12 (requires separate application & interview process)

PA530 Jazz Band (2nd semester only; Smikahl)

IT900 A & B P Video Production II (Harrington)

YA415 PACE - Guided Study (current GS teacher or counselor)

YA415 GRADS-Guided Study (requires counselor approval)

YA480 Peer Mentor for Interpersonal Skills (requires separate application; Mrs. Hill)

ZZ610 Student Assistant (requires a separate application signed by teacher-please turn in completed application with this form)

Elective Options

- This sheet lists all available elective courses.
- Course descriptions are available in the district <u>Program Planning Guide</u> (<u>PPG</u>)
- Review your graduation profile to fulfill each subject area.
 - ▶ Refer to PPG pages 10-11

Grading Guidelines

Any questions – text this number! 913-557-0321

PPG Page 6

Grade Point Average

The Olathe Public Schools will award credit to all grades of A. B. C. and D. A grade of F will not be awarded credit. Grades are assigned the following numerical values:

A=4

B=3

C=2

D=1

F=0

Those numerical values are used to determine a student's unweighted grade point average. A letter grade with a + or a - symbol will receive the same numerical value as a grade without a symbol.

A student's unweighted GPA is figured by assigning a numerical value to each semester grade (quarter grades are not used to determine a student's GPA) and dividing that number by the number of classes taken.

GPA Calculator

Weighted Grades

Weighted courses represent the most rigorous learning standards and content requiring the highest level of student performance and time commitment. The weighted grading system is used to determine academic student honors and distinctions.

The weighted grade formula is figured by using the standard grade point average and adding weighted value. The weighted value is computed by taking the number of weighted courses and dividing it by the number of semesters multiplied by seven: Weighted GPA = (GPA) + (# of Weighted Courses with grades of A, B, or C) / 7(# of semesters).

A weighted grade can be attained for the courses below by achieving class grades of A, B, or C. All courses on the list below have an equal weighted grade value:

- Honors Algebra II
- Adv. Biotechnology: Cellular & Molecular II
- AP Biology
- AP Calculus AB
- AP Calculus BC
- AP Chemistry
- AP Computer Science A
- AP Computer Science Principles
- AP English Language
- AP English Literature & Composition

ALL Institutions Require:

Cumulative GPA 2.0+ for College Credits earned in High School

KANSAS SCHOLARS CURRICULUM IS <u>RECOMMENDED BUT NOT REQUIRED</u>: To best prepare for the rigor of college-level courses, the Kansas Scholars curriculum is recommended.

One unit is equivalent to one year, or two semesters:

Math 4 units

1 unit of each: Algebra 1, Geometry, Algebra II

1 unit: Advanced Math See KS Scholars page

For Math course list

Social Science

3 units 1 unit U.S. History

.5 unit U.S. Gov .5 unit World History

1 unit: Social Science course

See KS Scholars Page for Social Science course list

Science 3 units

1 unit of each: Biology, Chemistry, & Physics

Foreign Language 2 units of the same

2 units of the same language Qualified Admissions for 6 State Universities in Kansas

A copy of the requirements is in your folder.

Curriculum to Consider

Kansas State Scholar, PPG page 4

KANSAS BOARD OF REGENTS QUALIFIED ADMISSIONS

State universities in Kansas follow Qualified Admissions (QA) criteria when admitting undergraduate students. These criteria are set by the Kansas Board of Regents, the governing body for the six state universities. The purpose of QA is to enhance success at the university level by ensuring students are prepared for the rigors of a university education. The institutions that use QA for admission are: Emporia State University, Fort Hays State University, Kansas State University, Pittsburg State University, University of Kansas, and Wichita State University.

KANSAS SCHOLARS CURRICULUM

Students that complete the Kansas Scholars curriculum and meet the other requirements, may be designated as State Scholars, which makes one eligible to receive the Kansas State Scholarship as provided by the Kansas Legislature. State Scholars may receive up to \$1,000 annually for up to four undergraduate years (five, if enrolled in a designated five year program), based on financial need and the availability of State funds. Financial need is measured by federal methodology using data submitted on the FAFSA.

- Students must have taken the ACT between April of the sophomore year and December of the senioryear.
- Students must be a Kansas resident.
- Students must have their curriculum and 7th semester GPA certified on the official roster by the high school counselor, registrar, or similar official.

To learn more about Qualified Admissions and Kansas Scholars - kansasregents.org

NCAA, PPG page 4

NCAA ELIGIBILITY

Division I & II schools require you to meet academic standards. To be eligible to practice, compete and receive an athletics scholarship in your first year of full-tme enrollment, you must meet the following requirements:

- Earn 16 NCAA-approved core-course credits in eight academic semesters.
- Complete 10 of your 16 NCAA-approved core-course credits, including seven in English, math or science, before the start of your seventh semester (D1 only)
- Minimum core-course GPA: 2.3 D1 / 2.2 D2
- For more requirement details contact your counselor or visit www.ncaa.org

NAIA ELIGIBILITY

An enrolled entering freshman must:

- Be a graduate of an accredited high school.
- Must graduate with a 2.3+ GPA or meet two of the three following requirements:
 - Achieve a minimum of 18 on the ACT or 970 on the SAT
 - Achieve a minimum over-all high school grade point average of 2.0 on a 4.0 scale
 - Graduate in the top half of your high school class
- For more information, contact your counselor or visit www.play.mynaia.org

Requirements at a Glance

Subject Area	Olathe Grad Req	KS Honor Scholar	NCAA
English	4	4 credits: regular or AP	4 credits: regular or AP
Math	3	4 credits: regular or AP	3 credits: Algebra 1 or higher
Science	3	3 credits: Biology, Chemistry & Physics 4 th credit highly recommended	2 credits: NCAA approved science classes
Social Studies	3	3 credits	2 credits: approved social studies classes
World Language	None required	2 credits of the same language-grade 9-12	Will count towards 16 core credits
Other Courses	See Grad Audit	No additional required	Additional approved NCAA credits to equal 16

College Credit Opportunities-AP Credit

Advanced Placement (AP) Information:

Advanced Placement (AP) is an internationally recognized standard of academic excellence that provides the following benefits to students:

- AP can enhance a student's opportunity for scholarships and career possibilities.
- AP can enhance a student's opportunity to receive admission into recognized universities and postsecondary programs.
- AP can reduce college costs and the time required to obtain a degree by providing post-secondary credit for courses and examinations completed successfully in high school. AP exams are given in May and scored by the Educational Testing Service. Students are encouraged to take AP exams to demonstrate successful AP course completion.

<u>Note</u>: Honors coursework provides a critical alignment with AP course success. AP exams are strongly encouraged. Each college or university determines which AP examination/score will be accepted.

- Nationally recognized program
- Students have the option to take an AP exam in May (approximately \$103).
- The exam score determines if college credit will be given.
- Every college sets their own AP requirements.
- Students can search AP Credit Policies at the schools they plan on applying to.
- CollegeBoard also has an <u>AP Credit Policy</u> <u>Search</u> tool.
- Honors level coursework is highly recommended before taking an AP course.

COLLEGE NOW

10th-12th graders have the opportunity to take academic courses in high school which have been identified by the school district and Johnson County Community College as College-Equivalent Courses (College Now). All College Now students must have attained required ACT scores or JCCC Placement Exam scores to enroll for JCCC credit. Upon payment of specified tuition and fees and successful completion of a course, college credit can be earned. Only students enrolled in designated college equivalency courses can apply for this college credit option. Course availability may vary by high school.

Tuition charges for College Now courses will not exceed the amount charged for students enrolling in similar JCCC campus-based courses. No additional charges beyond those authorized for high school rental fees and materials used for classroom activities will be made. Courses which qualify for Excel in CTE have waived tuition for high school students who meet JCCC Kansas residency requirements for enrollment in any tiered career technical course. For more information about Excel in CTE courses offered at JCCC, please visit https://www.jccc.edu/admissions/early-college/high-school-concurrentenrollment/

College Now courses listed below may not be offered for dual credit in every high school. Check your high school's College Now schedules for availability.

Dual credit courses may be found at https://www.jccc.edu/admissions/early-college/high-school-concurrent-enrollment/schools-schedules/or as follows:

- 3D Animation I & II

College Credit Opportunity-Quick Step

The JCCC course will count towards Individual Focus Credit.

- Students should visit with their counselor about dual credit options and procedures. Refer to the JCCC website for course options.
- ▶ A 3-credit college course (in one semester) equals 1/2 unit of high school credit.
- Students should complete online enrollment with a full schedule at Olathe East.

Any questions – text this number!

If you plan to take a Quick Step or College Now class next year for the first time, apply to JCCC now. This will make the JCCC enrollment process in the fall easier to complete.

Early Graduation

- For students interested in completing all required credits by the end of first semester senior year.
- Visit with your counselor to complete the application and review requirements.
- You will still enroll as a full time/two semester student during online enrollment.
- ▶ Applications will be due May 2025.
 - Any questions text this number!

Olathe Advanced Technical Center

OATC 1 or 2 Year Programs

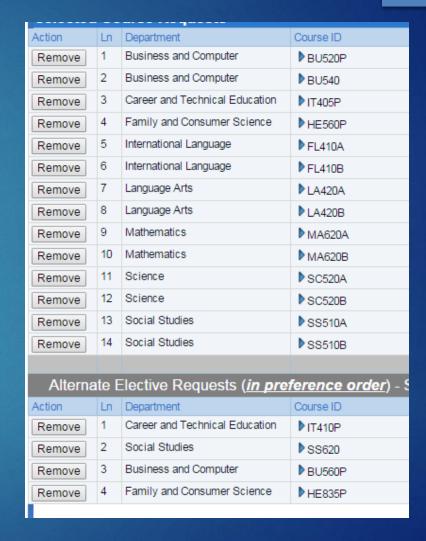

Auto Technology	Animal Science and Research	Construction trades	Culinary Arts
Electronics and Avionics	Emergency Medical Services	Healthcare	Welding Technology

- If you are interested in a program next year, there is still an opportunity for you to apply!
- Make an appointment with Mrs. Book for more information.

Online Enrollment-Student Vue

- If you want to take a class that requires a pre req, you will need to select the pre req and save it, THEN you will be able to select the next class.
- When you are done, you should have 14 Course Requests and
 4 Alternate Requests.
- You cannot list a class as an alternate that is also a course request!
- If you make a mistake, you can Remove a selection.

Items to Remember

You NEED 7 full credits (14 course selections) and 2 credits (4 selections) of alternates

You MUST select A (first semester) and B (second semester) for full year classes (ie. LA440A and LA44OB for College English 12)

If selecting a class that can be taken for more than one semester (i.e. Weights), you MUST select that class twice

If you have selected a "special course" (back of enrollment worksheet), make sure you have talked with the teacher.

If you have selected "teacher aid", pick up a form in the counseling office and turn in with your enrollment worksheet.

Enrollment Timeline

- ▶ January 30th Online enrollment begins.
- ▶ February 6th Enrollment Forms Due!
 - ▶ Student Vue enrollment needs to be submitted.
 - ► Turn in your enrollment worksheet to your advisory teacher.

Any questions – text this number!
