WHAT DO AVID STUDENTS SAY?

- *"With the academic and communication capabilities that are developed, students can have confidence in their future endeavors." - Lizzy, 2019 graduate*
- *"I think AVID lets you learn how you study best- a strategy that will benefit you so much in college." - Simone, 2022 graduate*
- *"The AVID program for me was the most helpful way to prepare me for college. Learning about how to work with others and solve problems I had in class, and also having time in class to work on projects and homework helped me so much! Along with visiting colleges, AVID provided needed information about how to apply for schools, FAFSA, and scholarships...my AVID teacher pushed me to actually apply and provided so much support that helped me throughout the whole scholarship process!" - Martha, 2024 graduate*
