Olathe North High School

Conservation. Veterinary Medicine. Research.

Who We Are:

Discover the opportunities available in one of the region's fastest growing industries through a unique partnership with industry business and higher education partners like The Kansas City Zoo, Mahaffie Farmstead, Shor-Line, Kansas Department of Wildlife, Parks & Tourism, and K-State. Students in this four-year program:

- Connect with animal health professionals throughout the region and the state
- Participate in hands-on research in the lab and through optional summer field experiences

What We Do:

- Partner with educational and industry leaders in the fields of research and animal science
- Prepare students for competitive college programs and careers in the Animal Health Industry.
- Engage in rigorous coursework only offered to Animal Health Academy students, including Animal Health Investigations, Environmental Conservation, Microbiology, Animal Science, Wildlife Biology, and Zoology.
