Olathe North High School

Who We Are:

Combine your interest in Sports and Science through this award-winning hands-on curriculum.

- Explore a variety of Health Career Fields through coursework, shadowships, projects and internships
- Mentor with a professional athletic trainer
- Assist in the assessment of athletic injuries on the field and in their rehabilitation in a well-equipped training facility
- Learn to measure cardiovascular fitness on a treadmill with a VO2 Max Computer

What We Do:

- Use fully equipped Athletic Training Facility and Sports Medicine Lab.
- Have hands-on experiences including taping/wrapping sports injuries, first aid, emergency care, rehabilitation of injuries, and use of therapeutic exercise/modalities.
- Earn opportunities for travel to competitions, exhibits, and college visits.
- Gain clinical field experiences with industry professionals including, but not limited to, physical therapists, strength coaches, physical educators, nutritionist, and paramedics.
- Have opportunity to earn NASM Certifications and/or Internship placement.
