

# Right Start 4 Kids<sup>SM</sup> Program

THE RIGHT START FOR A BRIGHT FUTURE

The Right Start for Kids (RS4K) program removes the cost barrier for dental care by providing children 12 and under with 100% coverage for all covered services under your plan, excluding orthodontics. The most chronic childhood disease is cavities, but cavities are preventable - regular dentist visits paired with good oral care at home help kids get off to the right start with their oral health.

## RS4K PROGRAM DETAILS

Here are some important things to know:

**100% Coverage for kids 12 & under** - RS4K provides 100% coverage for all covered services under your plan, excluding orthodontics.

**Must see an in-network dentist** - RS4K only applies when visiting a Delta Dental PPO<sup>SM</sup> or Delta Dental Premier<sup>SM</sup> network dentist. If an out-of-network dentist is seen, then your plan's normal benefits will apply, including waiting periods, deductibles, and coinsurance levels.

**No deductible or waiting periods** - Covered services under RS4K are not subject to your plan's deductible or waiting periods.

**Annual maximum applies** - Covered services under RS4K are subject to your plan's annual maximum.

**Excludes Orthodontics** - RS4K does not apply to orthodontic services.
