**Questions?** Contact Sarah Armbrecht, Early College Events Coordinator, at [sarmbrec@jccc.edu](mailto:sarmbrec@jccc.edu) or 913-469-8500, ext. 3167.

Hosted by JCCC Early College Partnerships & Outreach

**Wonder,  
explore, and  
learn with us!**

**JOIN US** for a showcase of hands-on, engaging educational experiences for kids of all ages.

- **10 a.m.–3 p.m.** Dive into learning with hands-on STEAM activities. Choose from a range of activities to attend at your own pace. Stations include welding, ceramics, bracelet-making, nature discovery, performing arts, and building activities, as well as a variety of sensory experiences and science experiments. Browse the full list by scanning the QR code.
- **3–4 p.m.** Treat the family to a FREE show of scientific spectacles as Mad Science presents Spin, Pop, Boom! Watch the Mad Scientist defy gravity in this energetic and exciting event and prepare to be amazed by the exotic sounds of the didgeridoo tubes! The event concludes with an explosion of foam leaving your whole family wanting more! The performance will take place in MTC 211.
