

Substitute Training

Class Link in the Classroom

Students prepared for their future.

What is Class Link?

- Class Link is an APP that allows students to sign in one time to things like textbooks, APPs or other resources

How are teachers using Class Link?

- Teachers use Class Link to sign in to their online resources

How are students using Class Link?

- Some examples of items students will see in Class Link include: Google, Office 365, TCI textbook, Tumblebooks, NewsELA, Nearpod, Mastery Connect and Discovery Education.

Teacher Class Link Accounts:

- All Class Link accounts have been already set up by the technology department.
- All students will have an icon on their iPads or their computers to log in. This applies to teachers as well.

Student Class Link Accounts

- All Class Link accounts have been already set up by the technology department.
- All teachers will have an icon on their iPads or their computers to log in. This applies to students as well.

What will YOU do with ClassLink as a sub?

- Long Term subs have access to Class Link.
- Sign in using your long-term sub username and password. Once you are signed in, you will have access to all of the resources that the teacher you are subbing for has access to.
- On the next screen, please click the link for a Class Link User Guide!
