

Olathe West Families-

I hope everyone had a great spring break. It's nice to have the kids back in the building and this week seemed to fly by very fast! The spring usually goes quick and we will have many events between now and the end of the year! Things coming soon include prom, exhibition night, awards nights, senior signing ceremony, and of course graduation. We will be full speed ahead through the end of May! Good luck to our students participating in activities and athletics this weekend! Track, dance, baseball, and softball are all competing or performing - Go Owls!

**Things you need to know this week:**

**1. Senior Parents** - See attached flyer if you would like to purchase a graduate brick to be installed around the owl sculpture near the commons entrance. They make a great graduation gift from mom and dad or even grandparents! Many families have added their grad to the legacy courtyard! Get your order in today!

**2. Prom** - April 12th! Prom will be at Pinstripes/Prairie Fire from 8-11pm! This is a junior and senior event!

Some good news! Senior Calum Lynn was accepted into the US Naval Academy! Calum is our first student from Olathe West to be accepted into an academy in school history! Congrats, Calum! Our junior ACT test scores from February look great at first glance. We have many above 30 and even had a perfect ACT score from that day. I am super proud of our students and teachers for the continued academic growth!

Have a great weekend!

Holler if you need me.

Jay Novacek  
Principal
