Other Health Policies of Interest to Parents:

- Please contact your school nurse regarding any individual student health needs.
- Refer to the district website for a more detailed explanation of our medication policy. **All controlled medications** must be **administered through the health room and require a doctor's note**. We also encourage **emergency medications** to be supervised through the school nurse (**self-administration** require both physician and parent written permission). A small supply of **over-the-counter medications** may be carried by students and self-administered. Students are never to share medications with another student.
- **Emergency care** is provided for all students who are injured or become ill at school, including calling of 911 if necessary.
- Students who are **ill** should remain home until symptom free for 24 hours; and the school nurse should be informed of any **communicable diseases** (Strep throat, chicken pox, etc.) For example, students should be free of fever (100° F or higher) for 24 hours, free of vomiting and/or diarrhea for 24 hours.
- **Health screenings** includes vision testing at grades 6, 8, 9, & 11 and all students new to the district; and hearing testing at grades 8, 11 and all students new to the district. We look forward to serving you.

Permission for Release of Immunization Information to Kansas Immunization Registry

The **Kansas Immunization Registry, KSWebIZ**, is a confidential computer system that collects and selectively discloses information to authorized persons about the vaccination history of persons in the State of Kansas.

The purpose of the Kansas Immunization Registry is to consolidate immunization information among health care professionals, assure adequate immunization levels, and to avoid unnecessary immunizations. Access is limited to individuals and entities that either provide immunization services or are required to ensure that persons are immunized. The privacy of participants and the confidentiality of information contained in the registry are protected at all times by all authorized users.

The Olathe School Nurses are users of the KSWebIZ and with parent permission began entering kindergarten and early childhood student records fall of 2010. Johnson County Health Department has implemented the system, and many area health care providers are in the process of becoming users.

Participation in the program is completely voluntary and no other health or educational records will be shared other than school immunization records. If you would like your student's immunization history to be entered into this system please sign below and return to the school nurse.
